The flowers that we received for the garden party were absolutely outstanding. The quality and arrangement were just what we wanted. I would highly recommend and will be ordering my plants for 2020 from these folks!

—Nancy G.

Let me say thank you again for the truly beautiful flowers you supplied this past season. We used them for a wedding—the colors and mixtures were lovely and we were most impressed by all the variety.

We thank AVB Greenhouses, a local AB Greenhouse, for these spectacular flowers and veggies!
