Dear Chris,

On behalf of the young people and families we serve, thank you for the Rotary Club of Calgary West's generous gift of $10,000 in support of McMan Calgary's Dialectical Behaviour Therapy (DBT) program. Your cheque was received on June 22, 2026, and we are very grateful for this contribution.

DBT is one of the most effective interventions available for youth struggling with emotional dysregulation, self-harm, and suicidal ideation. For many of the young people who participate in this clinician-led skills training program, it becomes genuinely life-changing. Your gift will help ensure that this specialized support remains accessible to those who need it most, regardless of their ability to pay.

The Rotary Club of Calgary West's commitment to community wellbeing is reflected in gifts like this one, and we are proud to be among the organizations you have chosen to support this year. An official tax receipt will be issued to the Rotary Club of Calgary West (Bingo Account) and forwarded to your address on file.

Please do not hesitate to reach out if you would like to learn more about McMan Calgary's programs, or arrange a presentation to your Club. We would welcome the opportunity to talk to you about the impact of your investment firsthand.

With appreciation,

Soraya Saliba
Executive Director
